

**ohio high school volleyball coaches**  
association

## Can you say, "Win – Win?"

The Ohio High School Volleyball Coaches Association has partnered with the American Volleyball Coaches Association as an affiliate chapter. This relationship offers OHSVCA members enhanced coaching education materials, product and services discounts, membership on the Interscholastic Leadership Council, and access to national awards and recognition opportunities for our coaches and athletes. In addition, joining the AVCA benefits the OHSVCA by giving back a portion of your dues to support volleyball programs in our state.

### **OHSVCA/AVCA** affiliate members will receive:

- Unsurpassed volleyball education tools such as online drills, practice plans and references
- The opportunity to attend our AVCA Annual Convention, USA Volleyball CAP clinics, and other sponsored events at the member-discounted prices.
- The ability to purchase volleyball products and services through the AVCA at member-only discount rates (your membership may pay for itself after only a purchase or two).
- Networking opportunities with over 3700 AVCA member coaches at all levels of the game.
- Six issues of *Coaching Volleyball*, the only technical journal available in the United States
- Twelve issues of ACE Power Tips, a monthly drills bulletin
- And much, much more. To see all AVCA membership benefits, [click here](#).
